💥 Great News! Exciting Opportunity for a Senior Test Engineer - Selenium with Java 💥

Dear Connections,
We have a fantastic career opportunity that we wanted to share with you. Our company is actively looking for a highly skilled Senior Test Engineer with 5-8 years of experience in Selenium with Java to join our dynamic team!

Vadodara

🚀 About Our Company:
At Lone Oak Solutions LLP, we take pride in our commitment to innovation and excellence. We believe that our team is the driving force behind our success, and we are excited to invite a talented

40

Software Testing Vacancies as of 04/10/23

Senior Test Engineer to join us on our journey.

🌐 Role Overview:
As a Senior Test Engineer at Lone Oak Solutions LLP, you will play a pivotal role in ensuring the quality and reliability of our software applications. Here's what you can expect:

🔍 Responsibilities:
Develop and maintain automated test scripts using Selenium with Java.
Collaborate with our QA team to design comprehensive test strategies and plans.
Execute automated test scripts, analyze results, and provide valuable insights.
Conduct rigorous regression testing to safeguard existing functionality.
Set up and manage test environments, including test data preparation.
Identify opportunities for process improvements and automation enhancements.
Maintain meticulous documentation of test cases, scripts, and results.
Work closely with cross-functional teams to deliver top-notch software products.

📋 Qualifications:
5-8 years of hands-on experience in automation testing with Selenium and Java.
Proficiency in automation frameworks and tools.
Solid knowledge of software testing methodologies and QA principles.
Familiarity with version control systems (e.g., Git) and CI/CD pipelines.
Exceptional problem-solving and troubleshooting skills.
Strong communication and teamwork abilities.
ISTQB or similar certifications are a plus.

🌐 Why Join Us:
Competitive compensation and benefits package.
Engage in challenging projects within a collaborative and innovative work environment.
Opportunities for professional growth and development.
Inclusive and supportive workplace culture.
Collaborate with a diverse and talented team of professionals.

📩 How to Apply:
If you or someone you know fits this profile and is eager to take on new challenges, we encourage you to apply. Please send your resume to ntilekar@loneoaksolutions.com and let's explore how you can contribute to our mission of excellence.
Lone Oak Solutions LLP is committed to diversity and is an equal opportunity employer. We believe in harnessing the power of diverse perspectives to drive innovation.
